## Hound Title Recognition Award

RMBC recognizes member hound achievements by providing a plaque with the hounds name and title plate for Titles, Major wins, and National Championships and awards earned during the calendar year. These plaques or title plates are presented normally at our annual December/Christmas meeting/gathering. To have your hound recognized please fill out the following form and email, fax, or snail mail with a copy of the award certificate to Tom Golcher. Forms must be received no later than the October RMBC meeting to have the award ready in time for the December presentation. Hounds earning awards after the due date will be recognized in the following year.
