

An RMBC founding member, Ted Ferris departed this earth 9/2/2011

*The photo of Ted shows him holding two Gentle Wind Borzoi from his successful "J" litter of 1984. On his right is Ch. Galaxy's Gentle Wind Jupiter, FCh. On his left is Ch. Gentle Wind Jessica, CD, FCh. Other members of this litter were Ch. Gentle Wind Gemini, FCh., Ch. Gentle Wind Jondalar and Ch. Gentle Wind Jaelle. With Ted's encouragement, these five dogs were handled by their owners and finished their nine titles, competing harmoniously with each other. Because of Ted, the owners of these wonderful hounds became friends and for this we are very thankful to him."*

*"As a result of the work that Ted and others accomplished together, we held a successful Borzoi Club of America National Specialty in 1987. This group of friends enjoyed each others' teamwork and the fruits of their labors so much that we decided to form the Rocky Mountain Borzoi Club. It took a concerted effort to gain AKC and ASFA recognition, but we persevered, overcame all obstacles, and had a lot of fun along the way."*

*"Ted will be missed but remembered fondly as a friend, a mentor, a gentleman of the utmost integrity and a breeder that truly loved his and, indeed, all Borzoi. Tally ho, Ted!"*
